About BHARATI COLLEGE

Bharati College, a well-known women's colleges in West Delhi, is a constituent college of the University of Delhi. It is located in a serene and scenic campus and caters to about 2000 students, offering instruction in eleven disciplines including Commerce, Humanities and allied disciplines of Social Sciences. Students can opt for Honours courses among the listed subjects. College also offers a Master's degree course in Hindi. Besides their academic commitments, students are encouraged to participate in the co-curricular activities at the college and department level. College boasts of premium-quality infrastructure which includes a fully digitized library, three computer labs, classrooms equipped with the latest technology and a sizeable playground. Apart from academics, the College also excels in extra-curricular activities and runs various societies like Chintan —debating society, Chilman-dramatics society, Eco-club, Manthan—street play society, Gandhi Study Circle, etc. for the holistic development of students. The College has a Counselling Centre, where students in distress are healed. Over four decades, the College has collaborated with premier institutions across the country like Indian Institute of Journalism and New Media, Humsafar Trust, Delhi Police, IIT Bombay etc. The College provides a friendly nurturing environment that encourages faculties to grow both professionally and personally.

About THE PROGRAMME

COVID-19 Pandemic demands Teachers to learn how to use online platforms, adapt new teaching methods, maintain student engagement and find new ways to evaluate. Moodle is world's most popular, free and open-source learning management system written in PHP and distributed under the GNU General Public License. Developed on pedagogical principles, Moodle is used for blended learning, distance education, flipped classroom, MOOCs and other e-learning projects in schools, universities, workplaces and other sectors. With hundreds of millions of users worldwide, more organisations choose Moodle to support their education and training needs than any other platform around the world. Learning should be accessible to anyone, from anywhere in the world, at any time. No matter where your students are, at home, abroad or at another campus, their learning journey can remain consistent, engaging and individualized.
