ABOUT HANSRAJ COLLEGE

Hansraj College is one of the largest constituent colleges of University of Delhi and has been ranked as one of the top five colleges for Science, Arts and Commerce several times in the last decade. The faculty and students of the college have contributed immensely in the field of academics, sports and cultural activities. The college faculty is dedicated towards growth and development of the institution academically and administratively to constantly thrive for excellence. Hansarians have been placed in diverse professions and services worldwide and are bringing fame and laurels to the institution.

ABOUT BHARATI COLLEGE

Bharati College, a distinguished women's college in West Delhi, is an integral part of the University of Delhi, nestled in a tranquil and picturesque campus, catering to approximately 2000 students. The college offers eleven specialized courses in Arts and Social Sciences, along with a Master's program in Hindi. In addition to their academic pursuits, students actively engage in co-curricular activities, including NSS, NCC, and sports. The college boasts a vibrant National Service Scheme (NSS) unit, working with physically and visually challenged students, Tihar Jail inmates, Deen Dayal Hospital support, and various other organizations. The National Cadet Corps (NCC) conducts parades on Thursdays and Saturdays, and many NCC cadets have achieved 'C' and 'B' Certificates, enhancing their employability in government and military roles.

Established in 1971, Bharati College is committed to providing outstanding liberal arts and sciences education to exceptional young women through its academic programs. The college has successfully created a transformative and holistic educational experience for a diverse group of learners. Students from all over the country are drawn to Bharati College because of the empathy and authenticity they encounter from admissions to graduation. These scholars become part of a dynamic, rigorous, and inclusive campus community, benefiting from a highly qualified and approachable faculty and staff. As a women's college, there is a distinct focus on empowering students to become leaders in their chosen fields, shaping them into confident advocates for social change in their own communities. The emphasis on academic excellence, critical thinking, and personal growth equips students to make meaningful contributions to an ongoing societal transformation. The college firmly believes that the future belongs to these young women, now more than ever.

ABOUT THE DEPARTMENT OF SOCIOLOGY

The Department of Sociology at Bharati College, established in 2017, is dedicated to fostering a comprehensive understanding of sociology by distinguishing sociological knowledge from common sense, uncovering sociological meanings in everyday life, and exploring its interconnections with other disciplines. Their mission is to train individuals to comprehend their relationship with society, employing a rational and scientific approach in analyzing contemporary issues. Sociology's methodical approach enables the exploration of cultures and sub-cultures, the study of social changes, and an in-depth understanding of ongoing social dynamics, both on a micro and macro scale.

ABOUT THE PROGRAMME

Research is a systematic and scientific attempt to search for answers to pertinent questions for expansion of one's knowledge. It is an investigation of social problems through the means of scientific investigation and analyzing. Research methodology, therefore entails undertaking this scientific investigation by beginning with preliminary observations around the research problem. It is majorly defined by the philosophies that define one's research such as the disciplinary approaches that have evolved and are considered reliable in a particular domain. The research methodology defines the entire process of the research as research hypothesis, research objectives, choice of research methods, type of research, research outcomes among many others, depending upon the chosen philosophical direction of the research. In order to make the question of research to be analytically valid, Sociologists made a useful and workable difference between the terms research methodology and research method. Therefore, research method refers to the philosophical standpoint that informs the choice of methods and research problems. Whereas Research methodology explains the choice of research questions asked and the prescriptive techniques used for the conduct of the research.

In the rapidly evolving landscape of research, a profound understanding of diverse methodological approaches is crucial for producing robust and impactful scholarship. The program seeks to empower educators and researchers to employ a variety of techniques and frameworks, enhancing the quality and depth of their research endeavours. The FDP will adopt a blended learning approach, incorporating lectures, interactive workshops, case studies, group discussions, and hands-on exercises. Participants will engage in real-world application through collaborative research projects, enhancing their practical understanding. This FDP will serve as a transformative platform for educators and researchers to expand their methodological horizons. By integrating qualitative, quantitative, and feminist methodologies, participants will be empowered to address complex research questions by contributing knowledge generation to foster gender-sensitive scholarships.

OBJECTIVES OF THE PROGRAMME

- **Comprehensive Methodological Understanding:** To provide participants a comprehension of qualitative, quantitative, and feminist research methodologies, including their strengths, limitations, and applicability.
- **Skill Enhancement:** To enhance participants' practical skills in designing research studies data collection, analysis, and interpretation by using diverse methodological approaches.
- **Critical Perspective:** To encourage participants to critically evaluate the suitability of different methodologies for the conduct of specific research questions and contexts.
- **Gender-Sensitive Research:** To sensitize participants to feminist research methodologies and its significance in addressing gender biases and inequalities in research.

TOPICS TO BE COVERED

- Research Design
- Research Ethics
- Quantitative and Qualitative Research Methodology
- Data Analysis and Interpretation of Findings using different data soft-wares - Feminist Methodology
- Digital Ethnography

REGISTRATION DETAILS

Interested participants are requested to follow the steps mentioned below in order to register for the FDP:

- Participants are required to pay the registration fee of **Rs. 1000** via NEFT/IMPS/UPI to the following account:

Account: Principal, Hansraj College, FDC
Bank: Canara Bank, Hansraj College, Delhi
Type of Account: Savings
Account number: 2848101019873
IFSC: CNRB0002848
NOTE: Fee is Non-Refundable

- Pre-registration to the programme is through online mode only.
- Participants are required to fill the registration form using the following link (Please ensure that you have payment proof before filling up registration form):

Registration link:

<https://forms.gle/rUzkkDoZFgC1n59p6>

- The last date for registration is **November 10, 2023**
- Participants will be informed by **November 12, 2023**
- Attendance norms are strict. Participants are required to clear the assessment component for getting the e-certificates.
- Further details will be communicated to the registered participants.

ELIGIBILITY: The programme is interdisciplinary and is open to all interested participants. All faculty members (Permanent/ Temporary/ Adhoc/ Guest) and Research Scholars from any university/college are eligible to participate.
