Dear Prof. Yogesh Singh,

Namaskar,

I hope this letter finds you well. This is to bring your attention to an exciting opportunity for your wards/students/research scholars to engage with a life-transformative initiative by the Dept. of Culture, Govt. of Madhya Pradesh "The Advaita Awakening Youth Ratreat" a 10-day free residential camp.

Acharya Shankar Sanskritik Ekta Nyas, Department of Culture, Govt of Madhya Pradesh is dedicated to perpetuating the life and philosophy of Adi Shankaracharya- one of the greatest cultural unifiers of Bharat and an extremely influential figure in the history of humanity.

The Ekadina Dham Project at Omkareshwar, which is a landmark initiative by the Government of Madhya Pradesh, aimed at promoting the timeless philosophy of Oneness of 'Acharya Shankar'. This project signifies our dedication to harmonizing cultural diversity and fostering universal peace and harmony not just amongst human beings but also sustainable coexistence with the environment, to resolve the issues of the contemporary world.

To further this vision, we organize camps every month. The participants of the camp get to learn the Vedantic texts such as 'Tattva Bodha' or 'Atma Bodha', authored by Acharya Shankar himself and live in the serene environment of Ashram while experiencing the Upanishadic wisdom in the presence and guidance of a spiritual master. Participants of the camp develop a deeper understanding of Advaita Vedanta and its relevance in contemporary life. It is a unique opportunity for students, scholars and faculty members (anyone from the age of 18 to 40 years) to immerse themselves in the timeless wisdom of this ancient living tradition of Guru Shishya tradition.

They will gain insights that are not only intellectually stimulating but also deeply transformative. Understanding of Advaita Vedanta will help them in fostering critical thinking, spiritual growth, and cross-cultural dialogue. So, participating in the camp would be a valuable addition to their academic and personal development.

You are requested to extend an invitation to this camp to your students and scholars and encourage them to get registered for the upcoming camps. For any further information, you may please contact at acharyashankarnyas@gmail.com.

Thank you for your attention.

Warm regards,

(Sheo Shekhar Shukla)
