

Global Services proposes an online career assessment test called Insight for all the colleges of Delhi University students of 2nd and 3rd Year all courses with zero cost implications. This test is based on an individual's qualities, self-awareness, and capabilities. The test gives suitable career choice(s) based on five elements – interest, personality, aptitude, emotional intelligence, and orientation that analyse a student's qualities, strengths, and capabilities.

This holistic test has been developed by industry experts who have been in the field of education for decades. The test gives a deep understanding of a student's profile and then recommends various career options. It has been accredited by the National Career Development Association and by Career Development Alliance, USA.

Please note keeping all safety measures this test is not available/recommended offline and is complimentary for students of Pre-Final and Final year AY 2021-22 all courses only as they will be entering the real world soon and need to start exploring their career options.

Kindly sent your consent at monika.garg@gusindia.global and share the below pre-registration message to all the eligible students. Feel free to connect at 9999103201 for further coordination.

We look forward to your support and cooperation.

Thank you for your consideration.
