Subject: Invitation | MBA Aspirant Summit: Decoding B-School

To:

Hello All,

Greetings from the [Department of Business Economics, University of Delhi!](#)

The University of Delhi pioneered the **MBA (Business Economics)** in 1973, under the Department of Business Economics, and is patterned on the lines of a similar program at **Harvard Business School**.

Our department provides **dual specialization** in:

- Quantitative Techniques in Business(Analytics)
- Marketing and Distribution
- Finance

So we cordially invite you to...

MBA Aspirant Summit: Decoding B-School

As the corporate world is highly dynamic, ambitious students face a dilemma and might scrounge through external sources to get directed guidance. Thus, the student council of the Department of Business Economics, University of Delhi aims to declutter the noise around one of the eccentric courses called MBA (Business Economics) with their flagship event called '**Decoding B-School**'.

Since MBA is a rigorous journey, we are organizing this summit to help you decode the process with the following sessions:

• Session 1

Topic: **How can an MBA change your life?**

MBA seems like a pervasive option, for someone who is fresh out of an undergraduate program or for someone who is looking for a career leap. To be able to comprehend what lies ahead one needs to introspect and ask "Why MBA"? And "How would it help me?". Our session aims at answering these questions.

• Session 2

Topic: **Life After DBE**

A panel discussion consisting of four alums who will be discussing their current posts and the journey traversed, how DBE helped them. How can one incorporate all of one's learnings and experience gained during these two years at DBE into real corporate life?

• Session 3

Topic: **Journey towards MBA**

MBA is a course where you make the best of it. It's a tiring continuous journey but it is all worth it. Our session aims at acting as a guide for those who are about to kick start this

journey filled with learnings and how they can make the most of each step involved till they land their dream job.

Opening Note | 6:00 PM – 6:10PM

By the President of the Department

Session 1 | 6:10PM – 6:50PM

Topic: How can MBA change your life?

MBA seems like a pervasive option, for someone who is fresh out of an undergraduate program or for someone who is looking for a career leap. To be able to comprehend what lies ahead one needs to introspect and ask “Why MBA”? And “How would it help me?”. At times we will have to source answers from an external voice. Our session aims at answering these questions.

Fun Activity | 6:50PM- 7:00PM

Session 2 | 7:00PM- 7:40 PM

Topic: Life After DBE

Contrary to the popular sentiment, a good cat score won't land you everything, admission is just the beginning. At DBE, WE focus on a complete package of Summer Placements, Final Placements and then firming your position at your dream company. Our panel consists of four alumni who will be discussing their current posts and the journey traversed, how DBE helped them. How can one incorporate all of one's learnings and experience gained during these two years at DBE into real corporate life? A full-time course of MBA (BE) is unique to DBE for how it gives an edge to its students over other working professionals.

Session 3 | 8:00PM- 8:40 PM

Topic: Journey towards MBA

Landing a seat at a coveted B-school is not always easy as the entry ticket to it called CAT is among the most competitive examinations in the country with over 2 Lakh people religiously preparing and taking the exam every year. However, giving CAT is an essential condition but it is not sufficient as it can kickstart your journey but you will have to keep fueling it by acquiring quality subject knowledge and polishing communication skills.

MBA is a course where you make the best of it. It's a tiring continuous journey but it is all worth it. Our session aims at acting as a guide for those who are about to kick start this journey filled with learnings and how they can make the most of each step involved till they land their dream job.

Closing Note | 8:40 PM – 8:50 PM
