Subject: Registration of PMSSS candidates on UG portal

To:

Dear Colleagues,

A one-time provision has been created on the UG admission portal to facilitate those students who have taken admission under PMSSS but had not registered for PMSSS during the registration period.

Kindly advise only such students **(who had not registered under PMSSS but have been admitted under it)** to go to the following link and register themselves on the DU portal : <https://ugadmission.uod.ac.in/>.

Please ask the students to complete the registration process by Sunday, January 16, 2021. Kindly ensure all students do complete the registration by the mentioned date.

Regards
