BHARAT@2047: INSPIRATION FOR WORLD ECONOMIES

1. Rural Development Model:

In this session, we aim to explore innovative approaches and strategies for fostering sustainable rural development, ensuring inclusive growth, and leveraging the potential of rural India as a cornerstone of Bharat's economic prosperity.

2. Entrepreneurship:

This session will delve into the role of entrepreneurship in driving economic growth and fostering innovation. We seek to discuss the challenges and opportunities for budding entrepreneurs and identify pathways to nurture a vibrant entrepreneurial ecosystem in Bharat.

3. Swadeshi, Self-Reliance and Globalization:

The final session will focus on the concept of Swadeshi, self-reliance and its compatibility with globalization.
