

# FEEDBACK REPORT ANALYSIS

(2021-2022)

**Bharati College, Delhi University** being unique from its very inception and foundation has emerged as a benchmark of excellence and innovation for the world of education. With quality sustenance as its focus, the college has developed the feedback mechanism commencing with obtaining feedback from the various stakeholders to a structured rating based feedback form. The college draws feedback from students, teachers, alumnae and employees for continuous improvement in curriculum development and enrichment. Feedback is an essential element of the learning process for year 2021 to 22.

The students feedback on curriculum and teaching learning process at Bharati College, Janakpuri campus is designed to get formative feedback from students that can be used towards the improvements in the quality of course design and delivery as well as student learning experiences. The feedback process at Bharati College University of Delhi is designed to get formative feedback from our various stakeholders that can be used towards the improvement and quality of infrastructure, teaching methodology, the objective of the exercises to correctly gauge the impact of all the efforts taken by the institution at all levels. Bharati College aims to offer the best possible environment and learning experience to encourage students to perform to their full potential for academic achievement. Taking feedback plays an important role in the evaluation, development and enhancement of the quality of this learning experience. The process has put an emphasis on the need for environment of students in the quality assurance of Higher Education.

The process involves taking an independent and extensive survey from all the stakeholders through google forms wherein they are also allowed to give their open views about the college and has been analysed to form a basis for action to be taken.
