

**Action Taken Report of IQAC Bharati College  
2018-19**

- The new academic block is now differently abled friendly
- FDPs, Seminars and varied activities organized by the IQAC to raise the quality indices
- Extension of Academic Support Cell so as to include two more subjects leading to a total of four subjects to be taught by the students viz., Maths, English, German and French; thereby leading to more student involvement
- Two new self-financed courses on Aviation and Financial Markets are onboard and ready to kick-start taking the count to four courses in all
- Attempt has been made to structure the IQAC and various committees have, hence, been formed under the banner of IQAC
- MGRM was made to deliver the SMS facility for the college
- Reactivation of IQAC tab on the website
- Development of e-content
- Formation of media team to cover college events
- Online collection of feedback from students and streamlining of feedback system
- Initiation of online collection of Alumni data and putting the system in place
- Installation of Public Addressal system still in process due to some technical issues
