

COMMERCE DEPARTMENT – Faculty Development Programme

Bharati College's commerce department has successfully conducted one week FDP on hands on practice of Advance Data Analysis tools, from 15th Dec to 20th Dec 2018. Twenty nine participants from various colleges of Delhi University and Universities like Jamia Milia, DTU, GGSIPU etc, widely appreciated this development programme. The purpose of this programme is to enhance the quality of research among scholars and to focus on building knowledge about quantitative data analysis with the help of latest statistical software.

The programme was graced by the presence of Dr Namit Rajput, principal Sri Aurbindo College, as the honorable chief guest. We were grateful to have respected judges like Dr HK Dangi, associate professor, Department of Commerce and Mr. Ajay Gaur , chairman Bharati college.

Broad topics covered in the FDP includes- R and R studio, Univariate analysis, Bi-variate analysis, parametric and non-parametric test, Descriptive analysis, Correlation and Regression, T-test, ANOVA, Non-parametric tests, Linear Regression, Structural Equation Modeling using AMOS and Time series analysis using E-views.

The list of resource persons include eminent personalities like Dr. Chirag Malik, working with ICFAI Business School IBS Gurgaon. He has 19 years of work experience in Industry and Academics and has published various research papers in reputed journals like Scopus, Inderscience and Sage etc. He has also presented papers in many national and international journals.

Mr. Arnav Kumar, Associate Professor in Department of Management Studies at the Ramanujan College, Delhi University. He has rich experience of 5 years of teaching and has 16 research papers in various national and international journals.

The FDP was successfully concluded by special vote of thanks by our honorable principal Dr. Mukti Sanyal , advisor Dr Saloni gupta , Convener Dr Divya Sharma and Co-Convener Dr Shilpi Sahi.
