Subject: Differential Equations & Mathematical Modeling -III

Lesson: Power series solutions of Differential Equations about ordinary points
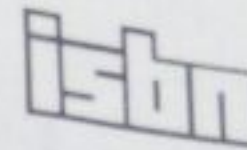

Lesson Developer: Nisha Bohra and Ankit Gupta

College/Department: Sri Venkateswara College, University of Delhi Ramjas College, University of Delhi

Raja Rammohun Roy National Agency for ISBN

Department of Higher Education, Ministry of Human Resource Development

Government of India

Date Time:05-01-2017|14:22:01
