Please pay your registration fee as soon as possible

I am pleased to inform you that your submission was subjected to a double-blind review process, and the reviewers accepted the above for presentation at the International Journal of Arts & Sciences' (IJAS) *International Conference for Academic Disciplines* which will be held at Harvard Medical School New Research Building, 77 Avenue Louis Pasteur, Boston, Massachusetts. The conference will run from May 28 to June 1, 2019. On May 31, in the evening, we will have a posters session at MIT, 265 Massachusetts Avenue, Cambridge, Massachusetts.

The conference follows the multidisciplinary TED format at <http://www.ted.com>. You may see last year's program at <https://harv2018ijasconference.sched.com/>.

In order for IJAS to remain in compliance with the American immigration laws, it is imperative that you enter the USA in an appropriate non-immigration status. For example, if you're a citizen of Australia, Canada or the EU, you may not need a visa to enter for the conference. If you require a visa to enter the United States, please present this letter at an American Embassy or Consulate with your non-immigrant visa application and passport.

The registration fee does not include food and lodging.

As a professor at Central Connecticut State University, I witness firsthand the benefits of international education emanating from study abroad programs. Our conference will highlight these benefits while offering you a forum to share your specialized research with international professors.

We look forward to your participation at Harvard and MIT.

Sincerely,

Professor J.L. Bonnici, PhD, JD
