

Topic: Hidden, High Paying Jobs in top MNCs

Total number of Students/ Participants attended the session: 80

Date: 29/09/2015

Speaker: Mr. Rajeev Jain is a seasoned business professional with 22+ years of corporate experience. He has hired and groomed thousands of fresher across countries with onsite visits to countries like US, China, Singapore, Hong-Kong, and Malaysia. He is a published author.

Type: Seminar

Objective of programme:

- **To develop the understanding among students about corporate expectation from a fresher.**
- **To provide insights on the latest job market.**

Summary of the event:

The session commenced with the welcome address to keynote speaker. Mr. Rajeev Jain began the session by addressing the gathering about the importance of remaining up to date about latest jobs and how to groom accordingly. He also highlighted the fact that most of the students are not aware of many high paying and stream independent jobs and thereby keep preparing for the regular low paying jobs for which there is lot of competition and over supply. During his session he talk about non-conventional job career path (like radio jockey, food/ tourist destination blogger, translators, creative writer) and upcoming new roles (like digital marketer, investment banker and marketing professional). Session was aiming at providing guidance and motivating students to prepare for these high paying jobs. Mr. Jain also talked about the importance of LinkedIn to connect with prospective recruiters. He ended the session with the thought that student must put to sharpen their skills and knowledge to get their SUPER DREAM job. Session was concluded with vote of thanks.

A handwritten signature in black ink, appearing to read 'Rajeev Jain', with a stylized flourish at the end.

They keep preparing for the regular low paying jobs for which there is lot of competition and over supply. This unique session aims at guiding and motivating students to prepare for these high paying jobs. It also provide pointers on how to connect with prospective recruiters and how they can sharpen their skills and knowledge to get their SUPER DREAM job. This is the best time to conduct this session since students will have 6-8 months to prepare for these jobs.
