

**Topic: Teaching after Graduation- A Career Option**

*Total number of Students/ Participants attended the session: 45*

**Date: 27/03/2018**

**Speaker: Ms. Romila Chopra**, is a Director-Client Success, **NewGenIT** with over 10 years of rich experience in education industry.

**Type: Seminar**

*Objective of programme:*

- **To familiarize the students with teaching profession and related aspect.**

*Summary of the event:*

Session began with the welcome address of the speaker Ms. Romila Chopra. She set the tone of discussion by informing the students that teaching is not a mere profession, it is a passion. She also highlighted the fact that how education industry is expanding drastically over a couple of year. She also made student aware that there was a time when teaching is used to be a perfect job only for females, however, eventually situation has changed with increased number male aspirant for teaching profile. She also informed the participants, how teaching is not the first future plan of most of the students. She emphasized on making a career choice wisely, as females have to face more stringent timeline or pressure of quitting studies or getting married. She further added, that we often thought that it is easy being a teacher and this sector does not provide scope of future growth. She elaborated how doing teaching programme could provide them placement in good schools with UGC norm pay scale. Ms Chopra informed everybody how they can study further and apply for jobs in NCERT or in education department in any good University, after completing their study. She informed the students that after requisite higher study and experience, talented students can also applied for the post of principal at the school. Later she also talked in brief about fees, duration and popular institute to pursue such courses. She ended the session by resolving student queries about entrance test, fee of course for teaching job and many more.

Subject: Bharati College : International Teacher Training & Placement Program

Dear Dr Sonali Jain

Greetings from NewGen IT !

It was a pleasure to talk to you today. I really appreciate your concern and enthusiasm for the your students' placement and career.

I write to introduce an **International Teacher Training & Placement Program** for fresh as well as experienced young women graduates by our partner **alphabyte-The Learning Terminal** ([www.alphabyte.education](http://www.alphabyte.education)). **Funded by Michael & Susan Dell Foundation and Mr. Anand Mahindra** it is a unique program as it is the only Teacher Training Program with assured placements.

**Alphabyte** is a chain of Tech-n-Brick learning centers powered by cutting edge education technology, aggregated from some of the world's leading Education Technology providers. We use Ed-Tech and high-quality program managers to aggregate and deliver some of the best Teaching-Learning programs available globally.

The international Teacher Training & Placement program is our flagship program for young women who aspire to create a career for themselves in the field of education. We have a 100% placement record for all candidates who complete the program in the stipulated time.

The program has two offerings

- **International Certificate in Education** - For individuals with more than 2 years of experience, this is a 4-month certificate Program offered in partnership with Asian International College Singapore.
- **International Certificate in Montessori Teacher Training** - For fresher graduates with less than 2 years of experience, this is a 6-month program, offered in partnership with APTTI, Calgary, Canada.

**Request:** We request an opportunity to present the details of the program to young second and final year female students of your Institute. The program will be

of interest to your alumni as well. The objective of this seminar will be to facilitate a discussion

1. Career & Women
2. Details of Teacher Training cum Placement program
  - a. Curriculum Design, Delivery
  - b. Duration, Location, Program fees and Stipend
  - c. Partner schools & placements

I look forward to the opportunity to meet you and the young women of your institute.

Thanks & Regards

Romila Chopra
