Type: Webinar

Objetive of programme:

• To provide awarness expctation from pravelent job scenario.

• To provide tips to achieve dream job or career option during and after COVID

Summary of the event:

The session commenced with the welcome address to keynote speaker. Mr. Mittal asked students to understand the gravity of situation where a crisis become so huge that it is pushing employees or the company top leaders to change their style of working overnight. He talked about how the leader are overcoming their fear and adopting newer ways to achieve their targets and expected the same from their recruits. A fresher situation (unlike previous crisis i.e., 2008) is still better as they are getting internships to get exposure. A fresher must know that mostly companies are working online these days and many are discussing in near future to go for a blended mode of offline and online system. He asked student not to get panicked but understand the newer style and skills are the need of the hour. He suggested everyone to learn multi-tasking, undertake good internship, learn new languages and may be business analytical tools, to sharpen their skills for their dream job. He asked commerce students to undertake courses and internship that can help them learn management skills in their interest field. He asked students should craft their talent and develop their critical digital and cognitive capabilities, their social and emotional skills, and their adaptability and resilience. He suggested various site and apps to learn new skills and be market ready. Mr. Mittal solved the querries of students and wished the participants for a good future. Ssession was ended with vote of thanks to the speaker.
