Organisation: **Mindworkzz**

Type: **Seminar**

Objective of programme:

- **To provide exposure to corporate selection procedure.**
- **To provide list of dos and donts to ensure selection during written exams and personal interview.**

Summary of the event:

Session opened with introductions. And thereafter our keynote speaker Mr. Mayank gave a small written test to all the participants of 15 minutes and asked the students to stick to the time limit. At the end of the test, he started pointing out the commonly found mistakes in written exam such as writing irrelevant points, poor style of presentation, grammatical errors and lack of knowledge etc. Then, Mr. Mayank asked everyone to assess their performance. Few students were prompted to share their assessment as well, so that others can learn from their batchmates experience. In the later half of the session, Mr. Mayank shared his insights regarding personal interview (PI) with students. He emphasized on students being confident, well groomed and active listener. He also made students familiarize with frequently asked questions and ways to answer such questions. Many of our students were seen taking notes during the session. Students queries were dealt at the end of the session. He appreciated everyone for their participation and concluded the session.
