Respected Sir,
Pranam!

On behalf of Dr. Asha Tiwari, TIC, Department of Sanskrit, we wish to invite you to deliver a talk on "Science in Sanskrit Literature" organized by the department of Sanskrit, Bharati College, University of Delhi, on 14th of November, 2019. You are an authority in this subject and it would be sheer luck of our department to have you as a speaker. We know you are an extremely busy person fully devoted to academics, but please do spare some time to benefit people at Bharati College. We are anxiously waiting to listen you at our department.

We would highly appreciate if you could send us a gist of your talk.

Thank you.
Looking forward to see you at Bharati College....

Best Regards,
Madhav Gopal
