**Dear Program Coordinator  
& the Organizing Committee****Greetings from QTanalytics™!!**

Thank you for the interest inviting us for collaboration in your training program!

We are happy to introduce one of the leading statistical research, training and consultancy service provider company "QTanalytics™" based in India. At QTanalytics, We offer solutions to complex problems through statistical models, hypothesis testing procedures on surveys and secondary data using appropriate procedures on **SPSS, AMOS, STATA, SAS, EVIEWS** and other statistical software. We also offer management services for conducting seminars/conferences, launching and hosting research journals, **standard training and workshops** on Research Methodology and software like **R, SPSS, AMOS, STATA, EVIEWS, MINITAB and SAS** for research scholars/faculty and professionals.

As per your request and ref Dr. Mittal regarding sponsorship of workshop kits to your forthcoming program on "Data Analytic Tools" on Dec 15-20, 2018, we agreed to supply you 20 kits that includes a folder, spiral pad, pen, printed information brochure (please share a final copy of information brochure).

Regarding promotion of your event, we will launch your detailed web page at: <http://www.qtanalytics.com/Events.aspx>

Kindly note that the use of logo is restricted and has a trade mark, so use the following details for information brochure, profile pics and banner images:

1. **QTanalytics™ India** (Use of name always with TM as superscript)
2. Logo (attached with the email also). This can be used for information brochure, profile pics and banner.

3. Detailed paragraph for the Information brochure:
