Dear Colleagues,

It is time to embark on the third phase of designing courses under UGCF 2022. Based on the preferences expressed, you have been made the convenor/member of the committee for the following paper:

Course	BA (MDS)
Paper Number	DSC 10
Paper Name	Investigating Inequalities
Convenor	Dr. Pravati Dalua
Members	Dr. Bhawna Shivan Dr. Meenakshi Gautam

A formatted sample syllabus and an empty template have been attached for your reference.

For writing the Course Objectives and Learning Outcomes, please consult a presentation on Bloom's Taxonomy enclosed with this email.

Please note that as per the latest directive from the University, all papers are to be designed for a total of 45 hours of lecture teaching, distributed across the different units. Please refer to the sample syllabus attached.

The convenor is requested to inform the Steering Committee regarding any change in the composition of the course committee.

We request you to keep all the correspondence regarding this paper in this chain of emails only.

Kindly submit the syllabus drafts for the paper by the **26th of February 2023**.

We would appreciate a line of acknowledgment towards this mail.

Thanks and Regards
Dr. Anjali Bhatia
