“Childhood should be carefree, playing in the sun; not living a nightmare in the darkness of the soul.”

ABOUT THE ACT: POCSO Act, 2012 was enacted when the cases of sexual abuse against children were rising. It contains provisions regarding the protection of children from sexual assault and pornography and lays down the procedure for the implementation of these laws. The Act has been instrumental in providing a robust justice mechanism for the victims of sexual abuse and has highlighted the significance of child rights and safety. The reporting of cases of child sexual abuse has also surged as a consequence of awareness. The Act covers punishment for both non-penetrative sexual assault and aggravated penetrative sexual assault.

DURATION AND TIMING OF THE SESSION: The webinar was held on 3rd October, 2022 at 2pm and lasted for around 2 hrs.

ABOUT THE EVENT: The event aimed at making the volunteers aware about the pocso act and how they can help the children that are in need and how they can contribute by awaring children about what is good and bad touch. Volunteers were made aware through the use of presentations and visuals.

CONCLUSION: It was a successful one with more than 60 volunteers being part of the webinar. It was an informative and interactive webinar. All the voluntters were actively listening and understanding. NSS Bharati aims to host more such webinars.
