

Youth Leadership and Entrepreneurship- A Way Forward

Areya-The Leadership Cell of Bharati College organized a webinar on 6/6/2023 on Google Meet. The topic of the webinar was “Youth Leadership and Entrepreneurship-A Way Forward” and it was organized in the light of increasing importance of youth led global start-ups which are proving to be a boon to the economies of all the countries around the globe.

The guest speaker for the webinar was Mr. Rishav Agarwal who is the Founder of Picxele. He is also known for his path-breaking works as growth head and strategist to several startups. He gave a very resourceful lecture on importance of youth leadership for the economic sector and the various ways through which we can harness such importance for our career development. He also took the example of several start-ups including his known to reflect the idea of the need of a leader for positive results. Furthermore, we learnt about various leadership skills that we can develop in ourselves to move ahead.

The event was joined by more than 70 students who got an opportunity to clear their doubts as well. The webinar ended on a good note.
