

Webinar On 'Lucrative Career Options In Finance'

Date: Jan 21st, 2023

Day: Saturday

Time: 12 PM

Speaker: Rajan Luthra

Total no. Of participants: 75+

Platform: Google Meet

Vitt 'N' Nivesh entered the year 2023 with an insightful webinar on Jan 21st.

Rajan Luthra, the co-founder and COO of Metvy, a face-to-face networking platform for like-minded people, started with a promise to deliver his real-experience regarding the financial sector. The speaker promotes the motto of 'making learning easier than before'. The session was honored by the gracious presence of convenor and co-convenor of FIC, Dr. Poonam and Dr. Kamini respectively.

The session began sharp at 12 PM with a small activity where Mr. Rajan acknowledged preconceived notions regarding the career options in finance. He talked about real-life case studies, how one should develop the right perspective and build a realistic approach towards the path they choose. He even engaged in a one-on-one interaction to understand the mindset of his audience towards most enticing fields like CA, CFA and Investment Banking.

He covered topics of how one can go about securing a reputable career in the finance sector, from bursting common myths regarding the job-profile to hunting the interview process. The audience couldn't contend their curiosity and joy by the end of the session and got their queries addressed gratefully.
