COLLEGE PROFILE

Bharati College, the top women's college in West Delhi, is a constituent College of the University of Delhi. The College was founded in 1971 with its premises at Karol Bagh. It shifted to its present location at Janak Puri in July 1998. Enriched by a faculty of over 130 qualified and dedicated teachers, the college caters to around 3000 students. Our alumni have excelled as academicians, lawyers, chartered accountants, politicians, actors and as administrators. We are confident that all those who join Bharati will reach great heights.

This legacy of excellence is deeply woven into our heritage and is inextricably linked with some of India's most eminent public figures- including a former deputy Prime Minister and two former Chief ministers of Delhi. The first Governing Body of the College was chaired by **Bharat Ratna Shri L.K. Advani**, former Deputy Prime Minister of India, with **Shri Madan Lal Khurana**, (former Chief Minister of Delhi and, later, Governor of Rajasthan), serving as Treasurer. Recognising the importance of a good library for any academic institution, **Dr. Sahib Singh Verma**, former Chief Minister of Delhi, laid the foundation for an impressive library system that continues to benefit students to this day.

The current campus at Janak Puri was inaugurated by **Padma Vibhushan Smt. Sushma Swaraj**, then Union Minister of Information and Broadcasting, who later served with distinction as the External Affairs Minister of India.

The college is situated in an area of about 8.6 acres of land which has a newly inaugurated state-of-the-art auditorium, a women's hostel, a new academic block, 4 computer labs with over 150 computers with broadband connectivity, a seminar room, a conference room, a theatre room and a large, well-equipped library. The library provides access to e-journals, books and other information that can be freely used by students and faculty.

Along with the degree courses, the college also offers a multitude of add-on, short-term courses at very affordable fees for all interested students from within and outside of the College. These include courses in many foreign languages such as German, French, Russian, Chinese; IT courses at 'O' and 'A' levels and three more Computer Courses (Certified Web Developer, Certified Data Entry and Office Assistant and Computer Concepts) in collaboration with NIELIT and two additional courses in various professional fields such as Tax and Accounting as well as Digital Marketing.

The students are required to participate in co-curricular activities (NSS, NCC and Sports). The College has a very active cell of the National Service Scheme as well as a very capable and enthusiastic wing of the National Cadet Corps. The NSS works with physically and visually challenged students, inmates of the Tihar Jail, as support staff for the nearby Deen Dayal Hospital and with many other agencies. The NCC parade takes place on Thursdays and Saturdays. Many of our NCC cadets go qualify for the 'C' and 'B' Certificates, making them eligible for employment in the army and other wings of the government.

In sports, the College has extensive fields with a volleyball court, kho-kho and throw ball fields and a fully developed cricket ground. Any student interested in sports is welcome to join the various teams, even if she has not been admitted on the sports quota.

The various departments, through their Departmental Societies, aim at guiding and training students beyond the University curriculum by organizing lectures, seminars, workshops, cultural programmes, excursions, etc. It is mandatory for students to participate in annual functions such as Annual Day, Sports Day, NCC Day and NSS Day. Over and above these, for their holistic growth and development, students are expected to participate in at least five other functions organized in the College.

The College also offers many extra-curricular options. It has many vibrant societies, such as, a dramatics society *Chilman*, *Advaita*, a society for contemporary dance; *Elantre*, where students try their hands in the world of fashion; *Chintan*, a debating society, *Mridang* for classical music and dance; *Manthan*, the Nukkad Natak society; *Jagriti*, the women's development cell, *Kavya: abhivyakti ka sajha manch*, for the ones who have a passion for poetry writing. *Artsvilla* provides a platform to unleash their talents and explore their creativity, *Palaash*, an Eco-club that keeps the College green and *Upkram*, the E-cell, enables its students to get first-hand experience in entrepreneurship and promote innovation. MIGRATION POLICY OF THE COLLEGE

The University of Delhi has allowed the students of II Year to apply for inter-college migration, while fulfilling the requisite criteria/guidelines from time to time. In this context, the College proposed the following guidelines for dealing with such cases.

I. Migration from Other Colleges

1. The college would display the vacant seats to seek applications based on the total number of sanctioned seats in a program only.
2. The admission will be based on the merit in the 1st Year Term End Examination (TEE) (descending order) and as per the norms of the University of Delhi.
3. The interested students should submit a No Objection Certificate (NOC) from the parent institution at the time of submitting the application.
4. The College Admission Committee would process such applications.
5. Class roll number would be issued once the college fee is deposited by the student.

II. Migration to Other Colleges

1. To avoid any audit objection, the college can't afford to increase the number of vacant seats in a program.
2. The Bonafied student of the college would be the one who has deposited the college fee for the respective academic year.
3. Students would be permitted migration from a program only if the number of students in a class is above the sanctioned strength + 10% (of sanctioned strength) only.
4. The number of such students (as mentioned in Point iii above) will be given an NOC on a first-come, first-served basis for each program.
5. A merit list will be prepared based on the 1st Year TEE Result (ascending order) among all the students who have applied for migration.
6. In case of simultaneous applications by two or more students, the students will be given NOC as per the merit list prepared.
7. The migrated student to another college would be eligible for refundable security deposit only.
8. TICs would forward the request to the Admission Committee to process such cases, if any.

After due deliberations and discussions, the House approved the above policy regarding migration of students. The policy would be effective from the Academic Year 2024–25. It was emphasized that awareness should be spread about the policy amongst the students.

Undergraduate Curriculum Framework UGCF – 2022

The UGCF - 2022 underlines the historical perspective, philosophical basis, and contemporary realities of higher education as enshrined in the National Education Policy (NEP – 2020) and endeavors to synchronize these cornerstones while charting the road ahead for the state of higher education.

The University of Delhi, a premier seat of teaching, learning, and research in higher education, acclaimed nationally and internationally, has nurtured the quest for reaching the peak in every sphere of education, in its true sense, in its contribution to the nation-building. Moreover, being a Central University mandated to act as the torch bearer in expanding the horizons of human resource development through the expansion of higher education, it has always paid an adequate premium towards constructive and meaningful innovation as a regular feature in its undergraduate curriculum development over the years.

A reflection of such sustained and continued endeavor is amply exemplified in the successive revision of undergraduate curricular framework over the decades, keeping pace with the emerging trends in higher education in the new millennium globally and its critical importance in enriching the youth of our nation, well equipped with the prevailing priorities of skill development through innovative and practical oriented teaching-learning more than anything else.

To actualize the noble objective, as succinctly brought out in the NEP - 2020, the University of Delhi has endeavored to explore the possibility of further restructuring and refinement of its undergraduate curriculum framework in line with the objective and underlying philosophy of the NEP - 2020 to capture the imagination of the youth of our nation which depicts the contemporary realities of our demographic advantage globally.

The resultant outcome of this comprehensive exercise undertaken by the University of Delhi is the UGCF - 2022 which not only underlines the hearth and soul of the NEP - 2020 in letter and spirit but also goes on to create a teaching-learning framework at the undergraduate level to attract the young minds towards research, innovation, apprenticeship, social outreach, entrepreneurship and similar such areas of human knowledge and endeavor while imbibing the truly charged academic environment of the University of Delhi and its constituent Colleges.
