Alike to previous year, from the beginning of this academic session 2018-19, the Training and Placement Cell started working with a clear objective of improvement and a better reach to the students. The Cell verily moved ahead in its working and achieved success by organizing a number of seminars and workshops.

To facilitate the objectives mentioned above, the Cell:

- ✓ Set up enquiry desk to
 - a. inform students about the importance of placement and internships,
 - b. aware the students about various events (i.e., seminars and workshops)
- ✓ Familiarised the students with the existing social media pages and handles (i.e., Facebook, Instagram, Linkedin and WhatsApp) of the Training and Placement Cell.
- ✓ Collected information of interested students to develop the database for the academic session 2018-19.
- ✓ To provide guidance and knowledge to the students, the Cell organised various seminars and workshops by:
 - a. Eminent speakers such as Mr. Vaibhav Mehndiratta (PIBM) and Mr. Abhishek Vyas (Times Education Pvt. Ltd.)

b. Student Coordinators under “Pal2Pal Training Programme”.

Placement and Internship Summary- Placements are an integral part of the curriculum and often a great deciding factor for students aspiring to join premier companies across the country. This year, the Training and Placement Cell proposed it's very first "Placement Brochure-18-19", to be sent to prospective recruiters, which talks everything about the college and its placement cell.

In the academic year 2018-19, with the initiation of the placement drive, 7 students have been placed so far in organisation such as Indigo Airlines and Secure Now. The annual package offered ranges between 1.80– 3.84 Lakhs per annum.

We also look forward to companies like TCS, Decathlon, SherKhan, Vuzuk, and Genpact visiting our campus for placement drives in the last week of February.

Along with helping students in final placements, the cell provided various internship opportunities to the students. An internship is a period of work experience offered by an institution for a limited period of time. The certificates offered for such internships hold great market value especially when a student moves out for a job.

Bharati College witnessed a few paid as well as unpaid internships this year. Alike previous year, the cell received an average response from the students for the internships been introduced to them this year. Receiving a good response last year, in Online Internship Fair (in partnership

with Triedge Pvt. Ltd), the cell organised the same in the current academic year from 29 October, 2018 to 21 November, 2018, as well. A total of 34 students have participated.

Further, 6 students have been selected for internship opportunities by companies such as Triedge Pvt. Ltd., Smarttree and Vuzuk and few others.
