# JOB DESCRIPTION

**Job Role:** We have built a unique platform focused on emotional wellness and meaningful human connection for people going through loneliness. As a Conversation Companion, you will engage with customers over chat, audio/ video calls as well as in-person visits, helping them feel heard, valued, and positive through friendly, respectful, and uplifting conversations.

## **Key Roles & Responsibilities:**

- Engage in chat or audio/ video interactions (over a secured platform) with customers to promote positivity and emotional well-being.
- Conduct in-person visits, where required, in public places or at verified addresses for individuals experiencing loneliness.
- Build warm, empathetic connections while maintaining professionalism.
- Listen actively and communicate with patience, sensitivity, and respect.
- Maintain strict confidentiality and adhere to company conversation guidelines.
- Share insights and feedback to continuously improve customer experience.

## **Requirements:**

- Strong command of English and Hindi (both written and spoken) is mandatory.
- Knowledge of additional Indian regional languages will be an added advantage.
- Friendly personality with excellent communication skills and high emotional intelligence.
- Most important skill: Empathy and emotion
- Comfortable appearing on video calls with a neat and presentable appearance.
- Prior experience in customer service, wellness, hospitality, or related fields is a plus.
- Additional skills such as singing, painting, dancing, cooking, computer literacy, or other creative talents will be preferred, as they enhance engagement and interaction quality.
- Courage in dealing with tough situations like avoiding dating related calls.
