

Attention Students: Re-Registration for Improvement of Marks

This is to inform all students that as per the University of Delhi's Improvement of Marks Policy (Notification dated 10.02.2023), those who wish to improve their marks in Theory, Internal Assessment (IA), Tutorial, or Continuous Assessment (CA) must re-register through the designated form.

Please read the guidelines carefully before re-registering:

Improvement of IA (excluding attendance):

You may carry forward your earlier attendance marks.

You must re-register for the course/paper and prepare through self-study to improve marks in Class Test and Assignment.

Improvement of only Theory (Final Exam):

You do not need to re-register.

Simply fill the examination form and appear in the written exam.

Improvement of IA (Class Test + Assignment only):

If you're satisfied with your Tutorial/Practical marks but want to improve IA, re-register for the course.

Attend classes only if you want to improve the attendance component. Otherwise, opt for self-study and appear for the Class Test and Assignment.

Examination form is still required.

Improvement of IA and Tutorial/Practical Marks:

You must re-register and attend regular classes including tutorials/practicals.

Fulfill all academic requirements and fill the examination form to appear for the final exam.

☐ Note: Filling the examination form is mandatory along with this re-registration form.
