Minutes of the IQAC Meeting

Date: 09 July 2026
Time: 12:00 PM
Venue: IQAC Room, Bharati College, University of Delhi

The meeting of the Internal Quality Assurance Cell (IQAC) was convened on **09 July 2026** under the chairpersonship of the **Principal, Prof. Saloni Gupta**, to review the quality initiatives undertaken by the college and to deliberate on future strategies for institutional excellence.

Agenda-wise Discussions and Resolutions

1. Academic Quality Enhancement Activities

Presenter: Dr. Bhawna Shivan

- Dr. Bhawna Shivan presented the academic quality initiatives undertaken during the previous academic session.
- The importance of outcome-based teaching, continuous internal assessment, mentoring, and faculty development programmes was emphasized.
- Departments were encouraged to organize more interdisciplinary lectures, workshops, and academic collaborations.

2. Skill Development and Employability Initiatives

Presenter: Dr. Akshat Pushpam

- Dr. Akshat Pushpam highlighted ongoing skill development programmes conducted through various departments and institutional centres.
- Members discussed introducing additional value-added and short-term certificate courses focusing on digital skills, entrepreneurship, communication, and emerging technologies.
- Greater collaboration with industry partners and training agencies was recommended to enhance students' employability.
- Honourable Chair suggested that we should also add the special short-term courses in the presentation.

3. Internship, Project, and Research Opportunities

Presenter: Dr. Sonali Jain

- Dr. Sonali Jain reviewed internship opportunities available to students through government agencies, NGOs, industries, and academic institutions.
- Faculty members were encouraged to facilitate student participation in research projects and innovation-based activities.

- It was resolved to strengthen institutional collaborations for internships and research engagement.

4. Student Feedback Review

Presenter: Dr. Vandana Yadav

- Student feedback collected during the semester was presented and analysed.
- Overall student satisfaction regarding teaching-learning processes remained encouraging.
- Suggestions received from students regarding infrastructure, ICT-enabled classrooms, and academic support were discussed.
- Members extensively discussed all the parameters of the student feedback, and the feedback suggested that Students are concerned about the last-minute cancellation of classes. Therefore, it is resolved that the faculty member who is supposed to be on leave is required to inform their class by 10:00 AM of that day.
- Members also discussed about the irregularity of classes due to activities; therefore, it is resolved that the Time Table committee will allot two hours a week as the Remedial Classes

5. Suggestions for Corrective Measures and Quality Enhancement

Discussion

Following detailed deliberations, the committee recommended:

- Strengthening mentoring and student support systems.
- Increasing interdisciplinary academic activities.
- Expanding ICT-enabled teaching practices.
- Enhancing documentation of institutional activities.
- Conducting regular academic and administrative audits.
- Encouraging greater participation in national and international academic collaborations.

6. Community Outreach and Extension Programmes

Presenter: Dr. Akshat Pushpam

- Various extension activities conducted through NSS, NCC, departments, and outreach cells were reviewed.
- Greater emphasis was placed on community engagement aligned with Sustainable Development Goals (SDGs).
- Departments were encouraged to adopt community-based projects and promote experiential learning.

7. Placement and Career Guidance Activities

Presenter: Dr. Sonali Jain

- The Placement Cell activities and career guidance programmes were reviewed.
- Members suggested organising additional career counselling sessions, industry interactions, and placement preparation workshops.
- Collaboration with recruiters and professional organisations was recommended.

8. Competitive Examination Support

Presenter: Dr. Jatin

- Dr. Jatin proposed strengthening institutional support for competitive examinations such as UPSC, SSC, Banking, CUET-PG, NET, and other examinations.

9. Counselling and Wellness Initiatives

Presenter: Dr. Nishtha Bhushan

- Mental health and student wellness initiatives undertaken during the session were reviewed.
- The importance of regular counselling sessions, stress management workshops, and wellness awareness programmes was emphasized.

10. Environmental and Green Campus Initiatives

Presenter: Ms. Monika Arya

- Environmental sustainability initiatives undertaken by the college were presented.
- Activities including plantation drives, waste management, plastic reduction, energy conservation, and environmental awareness campaigns were discussed.

11. Institutional Best Practices

Presenter: Dr. Princy Jain

- Dr. Princy Jain presented institutional best practices contributing to quality enhancement.
- The committee discussed documenting innovative practices systematically for accreditation and institutional benchmarking.
- Departments were encouraged to identify and share replicable best practices annually.

12. Strategic Guidance for Institutional Growth and Quality Improvement

Discussion

The IQAC deliberated on the long-term vision for institutional development. The following strategic directions were agreed upon:

- Strengthen research culture and innovation.
- Promote academic collaborations and international linkages.

- Enhance digital governance and academic administration.
- Improve student support services and employability outcomes.
- Encourage interdisciplinary teaching and research.
- Prepare systematically for future NAAC accreditation and quality assurance benchmarks.

Resolutions

The IQAC unanimously resolved to:

1. Implement departmental quality enhancement plans with periodic monitoring.
2. Expand skill development, internships, and career readiness programmes.
3. Strengthen research, innovation, and community engagement initiatives.
4. Enhance stakeholder feedback mechanisms and ensure timely corrective actions.
5. Promote environmental sustainability and institutional best practices.
6. Continue continuous quality improvement through regular IQAC monitoring and review.
