Discussion:
All Criteria Heads presented a detailed report of the work completed under their respective criteria. The Principal and the IQAC Coordinator thoroughly reviewed the presentations and acknowledged the efforts made by each team. During the review, certain gaps and shortcomings were identified. Constructive suggestions and recommendations were provided to improve the documentation, execution, and overall quality of work under each criterion.

Action Points:

- Criteria Heads to incorporate the suggested improvements and address the identified lacunae.
- Revised and updated work to be submitted by the stipulated deadline for further review.
