Ref. No: BC/Tree KYC/2026/ 1186 **Dated: 12.11.2026**

Quotation for Consultancy Services: "Know Your Campus Trees (KYC–Trees)"

Sealed quotations are invited from eligible agencies/firms for a focused campus tree inventory, geospatial mapping and tree-information signage project at Bharati College, University of Delhi. The assignment is intended to establish a reliable baseline record of campus trees and provide practical tools for future updating and maintenance.

Scope of Work and Quotation Format

S. No.	Description of Service / Deliverable	Quoted Amount (₹) (excluding GST)
1.	Field survey and inventory of trees within the college campus boundary, with a unique identification number assigned to each recorded tree.	
2.	Recording of core tree attributes: common and scientific name (where identification is possible), girth, estimated height, canopy spread, visible health condition and brief field notes.	
3.	Preparation of a structured digital tree inventory in an editable format (Excel/CSV or equivalent), with a clear data dictionary and photo records where feasible.	
4.	GPS/GIS-based location mapping of inventoried trees and preparation of a georeferenced campus tree map showing tree ID and mapped locations.	
5.	Preparation of digital tree profiles for an agreed selection of trees, including tree ID, species name, key recorded attributes and a photograph where available.	
6.	Generation of QR codes linked to the corresponding digital profiles, and design, supply and installation of weather-resistant identification signage for the number of trees agreed with the College before award.	
7.	A concise campus tree inventory report describing the survey method, inventory results, species composition, mapped distribution, data limitations and recommendations for maintaining the inventory.	
8.	Handover of all editable data, map files, photographs collected, QR-code files, final report and other project outputs, together with training sessions for designated College officials on updating and maintaining the records.	
	Grand Total (Inclusive all taxes)	

Eligibility requirements:

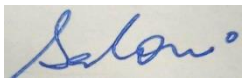

1. Bidders should inspect the site before quoting. The quotation should state the proposed approach, deliverables, implementation timeline, number of QR signages included, assumptions/exclusions, professional fee and GST separately.

2. Bidders should provide relevant evidence of experience in tree inventory, botanical documentation, GIS/GPS mapping or a closely related assignment, along with details of the personnel and equipment proposed for this work.

3. PAN and applicable GST registration details must be provided.

The College may evaluate quotations against the stated scope, relevant experience, methodology, delivery timeline and total evaluated cost, in accordance with its applicable procurement rules.

Please submit the sealed quotation addressed to "The Principal, Bharati College, University of Delhi, C-4, Janakpuri, New Delhi–110058" **latest by 02-12-2026**.
